Cher Client,

Nous vous remercions d'avoir choisi un produit Adkalis.
Pour une utilisation sûre, nous vous conseillons de lire très attentivement son mode d'emploi et d'en respecter toutes les instructions.

Le contenu du présent mode d'emploi ne peut décrire de manière exhaustive tous les aspects liés à l'utilisation d'un produit. Il repose sur notre propre expérience et demeure sans engagement. Il ne se soustrait pas au respect des informations indiquées dans la **Fiche de Données de Sécurité** téléchargeable sur notre site internet **www.adkalis.com**.

Les informations présentes dans cette documentation sont indiquées dans l'état actuel de la réglementation. Toute évolution de cette réglementation engendrera une actualisation du présent document.

Si vous avez des questions, votre attaché commercial est à votre service pour y répondre et prendre note de vos éventuelles suggestions.

FABRICANT

ADKALIS - 20 rue Jean Duvert - 33290 Blanquefort - France

Dear Customer,

Thank you for choosing an Adkalis product.
For safe use, we recommend you to read the operating instructions very carefully and follow all directives.

The content of these instructions for use cannot exhaustively describe all aspects related to the use of a product. It is based on our own experience and is not binding. It does not exempt compliance with the information indicated in the **Safety Data Sheet** that you can download from our website **www.adkalis.com**.

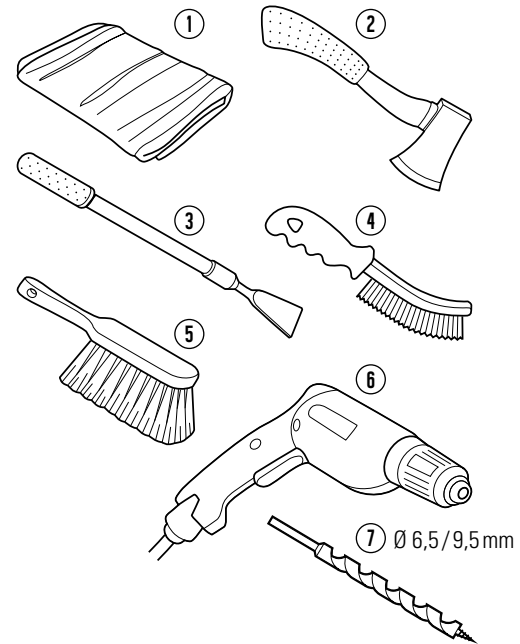

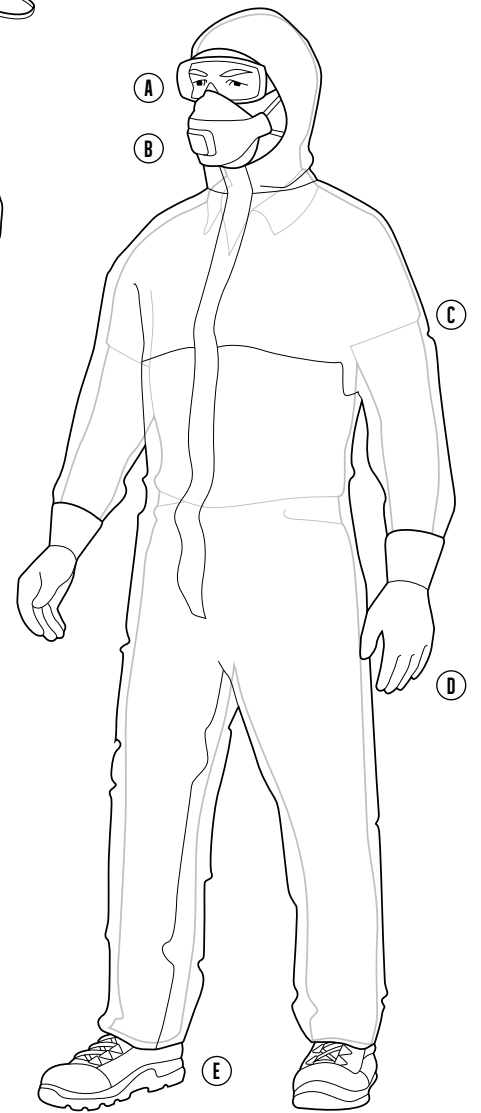

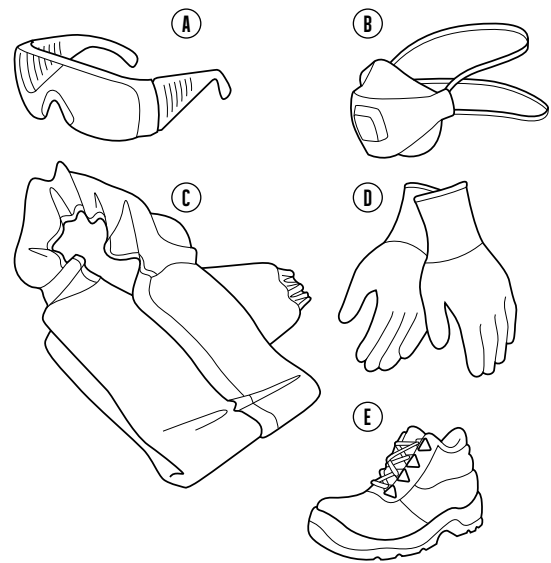

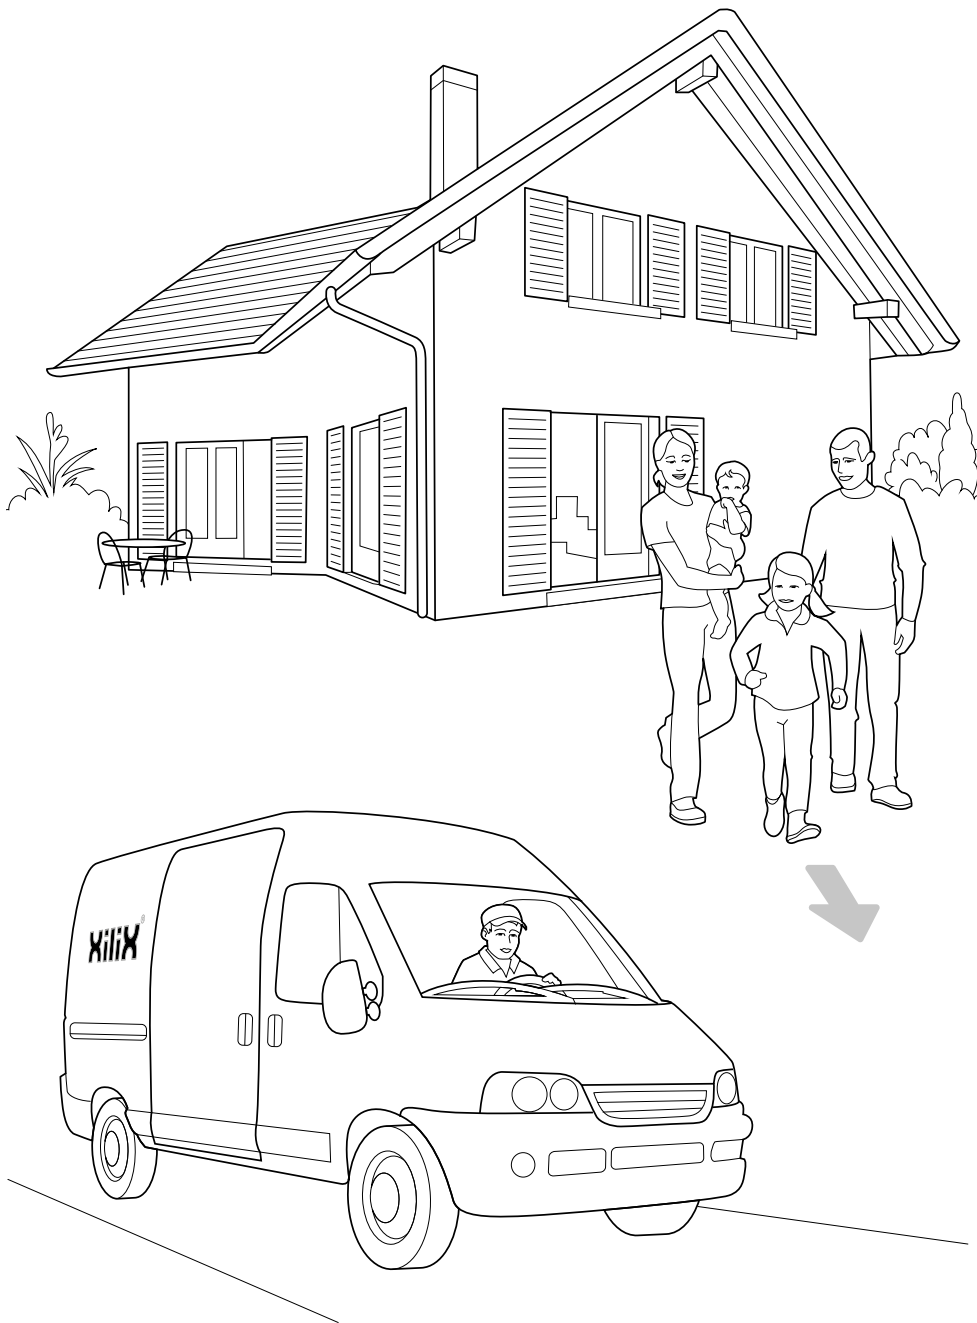

These instructions are indicated in the current state of the regulation. Any change to these regulations will lead to an update of this document.

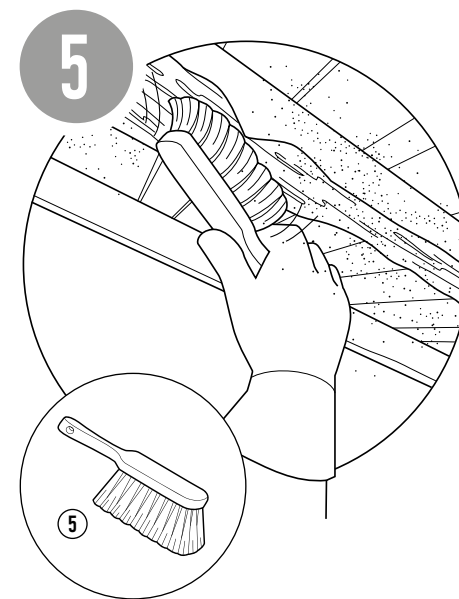

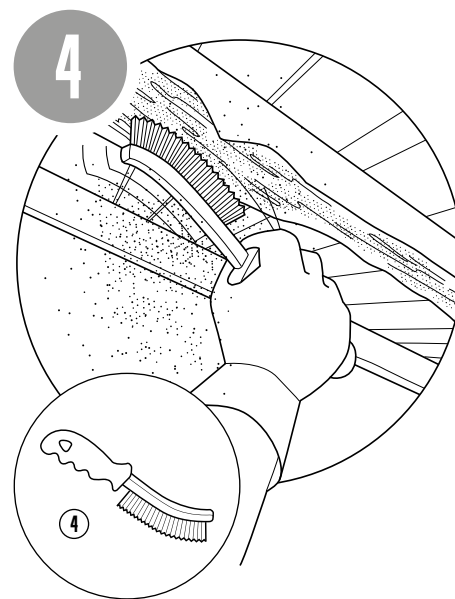

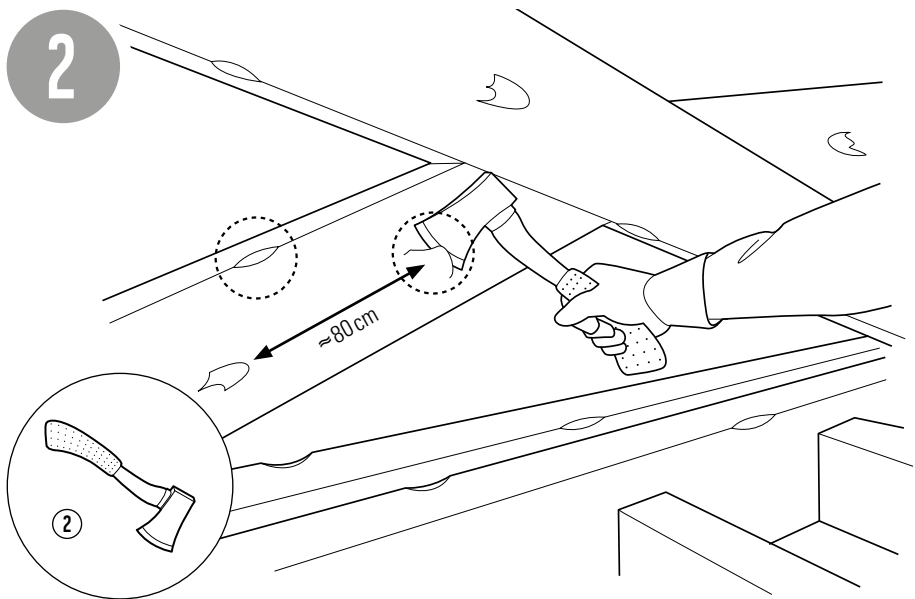

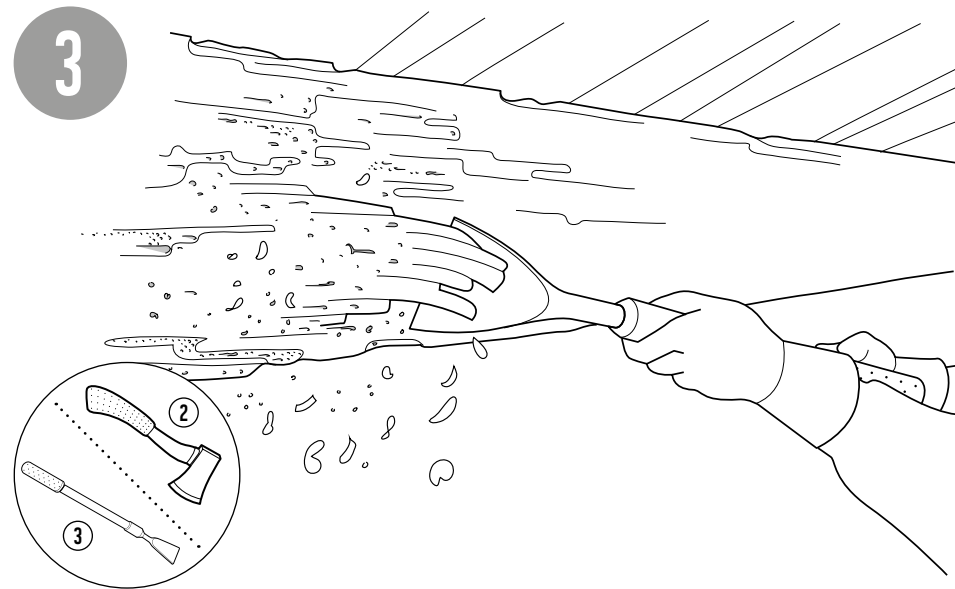

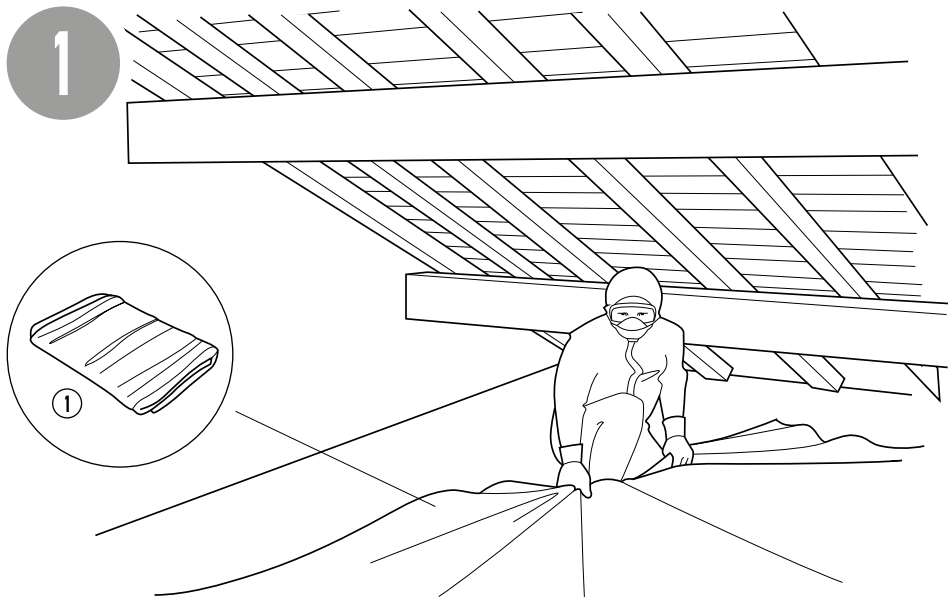

If you have any questions, our sales representative is at your service to answer them and take note of any suggestions you may have.
